Dr. Adel M. Elsaie
2257 Cottonwood Lane
Bedford, Texas 76021

Dear Dr. Elsaie:

On the recommendation of the Mechanical Engineering faculty I am pleased to offer you an appointment as Adjunct Associate Professor in the Mechanical Engineering Department for the period of September 1, 1981 to August 31, 1982. Your duties during this period of time will be assigned by the Chairman of the Mechanical Engineering Department.

As this appointment is less than full time, in accordance with Part One, Chapter III, Sec. 6.21 of Regents' Rules of the Board of Regents of the University System, the time accrued as a result of this appointment shall not be counted toward fulfillment of the required probationary period relating to the acquisition of tenure.

Although this appointment is only for the period specified above, future appointments of a similar nature and duration may be offered depending on the needs of the University and on your availability and interest.

If you are willing to accept this offer, please so indicate by signing the place provided below. This appointment is made contingent upon a need for the part-time faculty developing within the department.

Sincerely,

A. E. Salis
Dean of Engineering
